# CROSSING QUICK FORM

Enquiry & responsibility checklist

**RABCO**

v1.1 | 1 page

One form per crossing. All fields optional; choose Unknown where useful.
Use brief entries. Tick all unless marked ONE; leave unresolved choices blank.

| Project / crossing ID | Location / map pin | Contact / company |
|---|---|---|
| | | |
| **Email / phone** | **Crossing length (m)** | **Pipe OD (mm) / count** |
| | | |
| **Pipe material / service** | **Cover (m) / grade (%)** | **Target start / finish** |
| | | |

**Crosses (all)** ☐ Road ☐ Rail ☐ Waterway ☐ Utilities ☐ Other ☐ Unknown

**Purpose (ONE)** ○ New installation ○ Replacement / rehab ○ Unknown

**Ground (all)** ☐ Soil ☐ Rock ☐ Cobbles / mixed ☐ Unknown

**Groundwater (ONE)** ○ Known present ○ Not reported ○ Unknown

**Open cut allowed? (ONE)** ○ Yes, conditional ○ No ○ Unknown

## EVIDENCE & PROPOSED RESPONSIBILITY

Responsibility is proposed scope only. HDD = HDD contractor; blank = to be agreed.
Status: Available / ready | Pending | Unknown | N/A. Choose ONE per column.

| Item | Status (ONE) | Responsibility (ONE) |
|---|---|---|
| Location plan, profile, levels & pipe data | | ○ Client ○ HDD |
| Ground investigation & groundwater evidence | | ○ Client ○ HDD |
| Utility records, detection & physical verification | | ○ Client ○ HDD |
| Land access, crossing permits & owner conditions | | ○ Client ○ HDD |
| Entry / exit areas, pipe staging & site access | | ○ Client ○ HDD |
| Traffic / rail / waterway control arrangements | | ○ Client ○ HDD |
| Approved design, pits / support & method plan | | ○ Client ○ HDD |
| Water, fluids, spoil disposal & recovery plan | | ○ Client ○ HDD |
| Crew, equipment, safety & emergency preparation | | ○ Client ○ HDD |
| Pipe / joint QA, testing & tie-in arrangements | | ○ Client ○ HDD |
| Reinstatement, as-built records & handover | | ○ Client ○ HDD |

**RABCO ONLY** Shortlist / next steps for discussion only - no approval.

**Methods** ☐ Open cut ☐ HDD ☐ Microtunnelling / jacking ☐ Other

**Next steps** ☐ Request documents ☐ Site visit ☐ Feasibility / design review

Notes / action

Name Date

Client statements need verification and agreement. Proposed scope is not a contract assignment or transfer of engineering duty. No approved readiness, method approval or permission to start is given by this form.
Keep entries visible; attach only authorised evidence / continuation labelled with the crossing ID.

Save locally, close / reopen and check answers. Manually email PDF + authorised evidence:
